Dear Property Owner:

You are listed in the current real estate tax assessment books of Fairfax County, Virginia, as the owner of a parcel of land in the vicinity of the property which is the subject of the above referenced Rezoning Application. In accordance with the provisions of the Fairfax County Zoning Ordinance, you are hereby notified of the scheduled public hearings on this Rezoning Application at which time you may present either written or verbal comment.

The Fairfax County Planning Commission will hold a public hearing on this Rezoning Application on July 9, 1980, at 8:15 p.m. in the Board Room, A Level of the Massey Building, 4100 Chain Bridge Road, Fairfax, Virginia. The Board of Supervisors will also hold a public hearing on the Application on July 28, 1980, at 4:30 p.m. in the same location.

The Rezoning Application concerns the following parcel(s) of land which is identified on the attached map: 22-3 ((2)) 40, 41, 42, 43, 45, 46, 47, 48, 49, 52, 53, 54, 56, 56B, 57, 60, 61, 62, 63, 64, 65, 65A, 66 and 31-1 ((1)) 1, 11 and 31-1 ((2)) 36.

The application requests an amendment to the Zoning Ordinance to establish an historic overlay district to protect the Langley Fork. Upon adoption, this action will establish the environment of an historic area which the County desires to preserve and protect, and will require that all future development proposals within that area be subject to review for architectural compatibility.

If you have any questions regarding this Rezoning Application, you may direct them to the History Section of the Office of Comprehensive Planning (691-3351). If you desire to be placed on the speakers list for the public hearing(s), please call the following numbers:

Planning Commission: 691-2865

Board of Supervisors: 691-3151

Tommy,

I talked with Mr. Donald Sweig, Historian, Office of Comprehensive Planning, Fairfax County Planning Commission. He advised that the Commission is attempting to insure the historical compatibility of the "Langley Tract" and require that any future building within the delineated area would require approval of the Fairfax County Planning Commission. The Commission does not have any authority over government land, but they notify residents in the vicinity of prospective changes in zoning ordinances.

I then called Harry Goodwin of the Central Office of GSA and he confirmed that the local zoning ordinances had no application to government land and buildings. Harry recommends we ignore the notice.

Recommend no action on the part of REB.
